Electric Park.

There was quite a good sized crowd out last night to witness the opening performance of Fremont's Combined Shows, Vaudeville and Circus Royal, and it was a well pleased audience that left the tent. The general verdict was that it was one of the best shows the genial Colonel has yet presented. The Buskey family made the hit of the evening for their aerial work, and showed themselves to be genuine acrobats. Their act alone is worth the price of admission. There are many other features in the entertainment that make it enjoyable. Go out to-night. Fifteen cents pays admission and round trip car fare.

Superior and Kentucky DISC DRILLS

Are King and Queen of all Drills. Their superiority over all competitors are too well known to need comment, suffice it to say that we placed over sixty of these Drills the past season and have yet the first complaint from a single purchaser. On the other hand every one who used them stand ready and willing to give their testimonials as to the superior work done by them, and their unanimous verdict is if you expect to purchase a Drill this season, get either the

SUPERIOR OR KENTUCKY

and no other. Do not delay placing your orders and there will be no disappointments, as is the case each season when we are forced to resort to the river and express, which makes an additional expense. Every Drill is warranted to be just as represented. Do not allow yourself to be talked into buying some inferior Drill for the sake of saving a few dollars. Remember the cheapest is not the best, but the best is always the cheapest. Respectfully,

A Surgical Operation Results in the Death of Mrs. Schnelling, a Native of Mason County.

News was received here a few days ago of the death of Mrs. Dulcena Schnelling at the home of her daughter, Mrs. Retta Wilson, near St. Joseph, Mo.

Mrs. Schnelling was a daughter of Harrison Richardson, a pioneer of Mason County, and leaves a number of relatives here, among them two brothers, Messrs. N. H. and Jos. A. Richardson, of Jersey Ridge, and a nephew, Mr. J. H. Richardson, of this city.

Her death was the result of a delicate surgical operation.

She was married three times, first to a Mr. McIlvaine, then to a Mr. Donaldson and then to Mr. Schnelling, all of whom preceded her to the grave.

The Kentucky Central branch of the L. and N. hauled 1,400 excursionists to Cincinnati Sunday.

OTHER RAILROADS

Refuse to Join in the L. and N.'s Fight Against Senator Goebel—A Big Question at Louisville.

LOUISVILLE, Ky., August 23.—The Louisville and Nashville Railroad is the only line entering Louisville that is taking part in the fight against Mr. Goebel. In fact, the other companies lean toward him and the employees almost to a man are for the regular Democratic nominee. The freight men, in particular, connected with other lines are doing all in their power to defeat the Louisville and Nashville-Brown combination, realizing that if the greedy L. and N. can by hook or crook elect Taylor it will more than ever control the railroad privileges in Kentucky.

The most valuable switching and terminal facilities in Louisville are owned by the Louisville and Nashville Railroad, which makes the other companies, which are not fortunate enough to have such facilities, pay double price for using them. Only recently it shut out the Big Four from sending cattle to the Bourbon Stock Yards. The Illinois Central hauls coal from Western Kentucky, but when the cars arrive here the Louisville and Nashville will not handle them on its tracks until paid a price prohibiting the coal coming into competition with that hauled by the Louisville and Nashville. Other railroads suffer in a similar manner and none get justice unless given it by the courts, which are frequently called on.

This is one reason why the representatives of other lines are for Mr. Goebel. They realize if the fearless Kenton statesman is elected Governor he will see to it that the Louisville and Nashville Railroad does the proper thing not only toward the people but toward other railroads.
